

### REMARKS

Claim 1 has been canceled without prejudice. New claims 58-77 have been added. Claims 58-77 are hereby submitted for review and consideration.

No new matter has been added in the new claims which are fully supported by the specification. This application is a divisional of U.S. Patent Application Serial No. 09/482,688 filed January 13, 2000, which is a continuation-in-part of Patent Application No. 09/420,439 (now abandoned) filed on October 18, 1999. It is respectfully submitted that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the application are therefore respectfully requested. The Examiner is invited to contact the below-named attorney for any issues in the present application.

Respectfully submitted,

KENYON & KENYON
